

What is BOS?

Ownership by our people

In line with FCTG core philosophies the Business Ownership Scheme gives employees the opportunity to share in the success of their business.

Participation is by invitation from your AL or NL.

As a part owner you are exposed to the risks and rewards of your business.

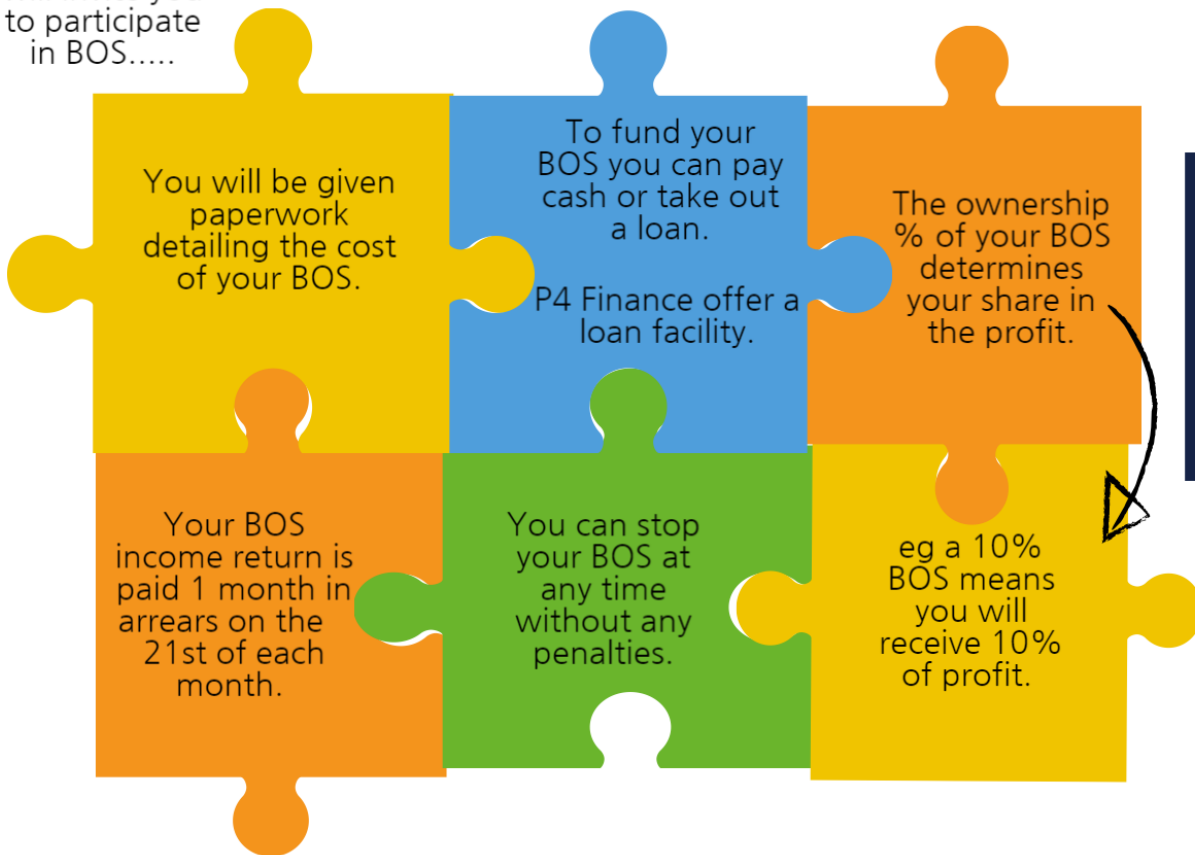

Like any investment you buy your BOS.

The size and cost of your BOS depends on your brand and the financial position of your business.

How does it work?

Your AL or NL will invite you to participate in BOS.....

Technical stuff

When you invest in a BOS you are investing in an 'unsecured note'.
